From: Investigator Richard Delaney, #128

Subject: Information

On 26 APR 12, the R/I conducted a personal visit to the CTA Blue Station located at approximately [REDACTED] on the west side of the street. The R/I spoke with [REDACTED] who stated that she was a contract security guard and only worked at the station on Thursdays. She indicated that there was a camera outside of the station but the images were fed to the CTA at an off-site location. Additionally, [REDACTED] stated that she did not have a video feed to a monitor within the station. She had no information regarding who was on duty at the time of this incident or how to contact that individual.

Prior to leaving the area, the R/I noted that the aforementioned CTA station is located between Congress Street to the north and Harrison Street to the south, directly over the I-290 expressway. There were no residential buildings in reasonably close proximity to the station suitable for a canvass.
